

Mrs. Baker's CLASS NEWS

A NOTE FROM THE TEACHER

In our Friday folders this week a permission slip for a class field trip was sent home. The field trip is scheduled for next Wednesday (September 26). If you could return the permission slips as soon as possible I would greatly appreciate it. Also the PTA's Fun Run/Fundraiser is this Friday (September 21) and our school has some big goals in what we can achieve. The PTA is hoping to use some of the money earned for some technology for the school. So thank you for your help.

HOMEWORK REMINDER

I just wanted to be sure there wasn't any confusion with the class homework. I send it home Friday so you can have the weekend in addition to the week to complete it. I know kids and parents are busy and I wanted to give as much time as possible to complete it.
